

Programme outcomes:

It encompasses a broad spectrum of knowledge, skills, abilities and attitudes that students acquire during the pursuit of graduate and post-graduate courses.

Our College offers a number of programmes in Science, Humanities, and vocational courses like BCA and Bio-Tech, each of them with well-defined outcomes.

Learning outcomes:

The learning outcomes of courses are built into the curriculum of each discipline and are available on the Veer Kunwar Singh University, Ara website. However, they also have some common outcomes that are summarised here.

1. Our College has created an ecosystem for learning beyond the classroom and through numerous other co-curricular and extracurricular activities.
2. Students are taught to identify, formulate, and analyse real life problems and reach conclusions using basic principles of their subjects.
3. We empower students to become future teachers, entrepreneurs, scientists, soldiers and administrators with motivation.
